

COMP6234 Group Coursework – Group Mark Distribution Form

Module:	Data Visualisation	Lecturers:	ES, CP, SD
Assignment:	Group Project	Weight:	70%
Group Number	6		

Record here your proposed distribution of the total number of marks awarded to your team. Please enter names, ECS IDs, registration numbers and the percentage of the total team effort contributed by each team member. The contribution percentages must total 100%. Work should ideally have been split evenly, however this is an opportunity to reward members who the group feels have performed exceptionally in the project.

Each team member must sign and date the form before submission to confirm that they agree with the proposed distribution. Only one fully-completed form per team is necessary (but see below when this is not possible), to be submitted via the ECS Handin system by the team leader.

Name	ECS ID	Registration Number	Percentage	Signature	Date
Xu Jing	jx2n16	27617866	25%	徐静	10/9/2017
Han Yu	yh2g16	2828 28288645	25%	韩宇	10/9/2017
Zhang Xin	xz5n15	28871219	25%	张欣	10/9/2017
Dilopoulou Christina	cd3n15	28969758	25%	Dilopoulou	10/9/2017

If your team is unable to agree a proposed distribution, please speak to the COMP6234 lecturers immediately. Your team should do your best to avoid this, as agreeing on the breakdown, among other things, demonstrates your ability to work together as a team.
